

EED & CRA RANGE

MODERN EDGE LIT EXIT SIGN

The EED & CRA provide the designer with an elegant and versatile edge lit emergency exit sign.

The EED offers three mounting alternatives – ceiling mounted, wall and with adjustable 800mm wire suspensions, plus a wide choice of dropped EC or ISO legends. All of which incorporate the latest in LED technology which provides a 25 meter viewing distance.

The CRA range is a recessed version and is available with the same choice of legends.

The main body is manufactured in aluminium and the control gear is housed integrally providing a 3-hour emergency backup. Self -test versions are available.
