

POP RANGE

4 SIDED HERITAGE STYLE POST TOP LANTERN

The POP LED range is part of our range of Heritage style post top area lights that are supplied IP66 rated as standard. The top has been designed with a hinged roof to make relamping a simple task

The POP is manufactured as standard with 4 clear acrylic diffusers and a black powder coated aluminium body. The luminaire comes with a range of diffuser and detail options including 12 different finials, and 4 different optics to choose from.

LUMINAIRE CAT NO.	POWER tcW	LUMEN OUTPUT*	EFFICACY Llm/tcW	WEIGHT KG (MAX)	DIM OPTION
