

## SSR RANGE

LED TWIN SPOT WITH 3 HOUR BATTERY

SSR220/NM3/IP65

SSR220/NM3/IP20

The SSR range offers simple and effective emergency lighting for a wide range of applications. Two versions are available: IP20 rated for indoor use and an IP65 version for installations where moisture will be present. Supplied as a non-maintained unit, they both incorporate 2x wide beam lamps with LED light engines and polycarbonate lenses.

LUMINAIRE CAT NO.	VERSION	POWER (tcW)	LUMEN OUTPUT	WEIGHT KG
